BENEFITING CHILDREN'S BUREAU

FESTIVAL DATE:

LOCATION:
Children's Bureau HQ Grounds
1910 Magnolia Ave
Los Angeles, CA 90007

We invite you to become a supporter of the inaugural Festival of the Common Bowl benefiting Children's Bureau - a leader in child abuse prevention and treatment for over 100 years. The festival is run by a committee of volunteers and partners who are grateful for your generosity. You can visit our event page at https://bit.ly/festival-of-the-common-bowl.

Join us as a Supporter of the festival and help children thrive!

Taking place in the heart of Los Angeles, the celebration will feature food, games, rides, animals, face painting, music, and an opportunity for families to learn about the resources and services Children's Bureau provides. Many families in our community do not have the financial means to attend festivals, so we have decided to make it free for all families.

In addition to funding our child maltreatment prevention services, your support enables children to enjoy the festival for free. Donor names will appear on signs near your selected activity as well as in our Annual Report unless you prefer to remain anonymous. Thank you for making it possible!
