

## What We Do

### Prevention

#### Magnolia Place Community Initiative

A national model for large-scale community strengthening where children, living in the most vulnerable neighborhoods, break all records of success in their **education, health milestones,** the **nurturing** they receive from their family, and the **economic stability** of their family. This is an innovative collaborative effort of 70+ county, city and community organizations dedicated to improving outcomes for children in a five square mile (500 blocks) area just south west of downtown Los Angeles. The Initiative's key strategy is to build neighborhood resiliency and civic engagement that goes beyond the traditional direct services. [magnoliaplacela.org](http://magnoliaplacela.org)
