

The Reality

A report of child abuse is made every **10** seconds

5 children die every day from abuse and neglect

33% of reported child abuse cases involve children under age 5

How We Prevent Child Abuse

Strengthen Families & Communities

Prevention

- **Focus on Families with children birth to five years and serving children up to 18 years of age**
Child development, parent education, home visitation, healthy eating, infant health, parents' and children's support groups
- **Other Family Support**
Address the specific needs of fathers, relative caregivers, childcare, youth after school tutoring, mentorship, linkage to referrals and information

Mental Health Services

Targets young children, adolescents and their families with the goal of eliminating psychiatric conditions that impair the child's functioning

- **Individual and Family Therapy, Parent Education via Outpatient Services, Wraparound and Day Treatment Program**

Family Foster Care & Adoptions

- **Foster Care and Foster-Adopt**
- **Private Adoption Home Study Program**
- **Resource Parent Recruitment and Training**

Help Other Organizations

FAF Software – Social Enterprise Product

Training

- **Strategies 2.0** to other nonprofits on the family resource center model strategiesca.org
- **NuParent** to partner organizations to conduct early parenting education program nuparent.org

Transform Communities & Systems

Develop best practices to transform systems within and among organizations that improve community outcomes that are scalable and sustainable

- **Los Angeles Community Child Abuse Councils** | lachildabusecouncils.org
- **Public Policy and Advocacy**

Parents Who Participate in Our Programs:

GAIN confidence in themselves and their ability to parent.

DEVELOP strong social connections and relationships with others in the community.

BUILD a network of support and increase each other's potential that benefits their families and neighborhoods.

These factors help reduce the likelihood of abuse and neglect.
