The Reality

A report of child abuse is made every **10** seconds

5 children die every day from abuse and neglect

33% of reported child abuse cases involve children under age 5

How We Prevent Child Abuse

Strengthen Families & Communities

Prevention

- **Family Resource Centers**
Family friendly, community-based collaboratives with the capacity to provide on-site access to comprehensive prevention and treatment services
- **Focus on Families with children birth to five years**
Child development, parent education, home visitation, healthy eating, infant health, parents' and children's support groups
- **Other Family Support**
Address the specific needs of fathers, relative caregivers, childcare, youth after school, linkage to referrals and information

Mental Health Services

Targets young children, adolescents and their families with the goal of eliminating psychiatric conditions that impair the child's functioning

- **Individual and Family Therapy, Parent Education via Outpatient Services, Wraparound and Day Treatment Program**

Family Foster Care & Adoption

- **Adoption Promotion and Support Services**
- **Foster Care and Foster-Adopt**
- **Private Adoption Home Study Program**
- **Relative Support Services**
- **Resource Parent Recruitment and Training**
