Antelope Valley Client Profile

A report of child abuse is made every 10 seconds
5 children die every day from abuse and neglect
33% of reported child abuse cases involve children under age 5

How We Prevent Child Abuse

Strengthen Families & Communities

Prevention
- Focus on Families with children birth to five years and serving children up to 18 years of age
- Child development, parent education, home visitation, healthy eating, infant health, parent's and children's support groups

Family Support
- Addresses the specific needs of refugee children, immigrant families, relatives, caregivers, children, youth, school and linkage to local community resources

Mental Health Services
- Targets young children, adolescents, and their families with the goal of alleviating psychiatric conditions that impair the child's functioning
- Individual and Family Therapy, Parent Education via Outpatient Services, Wraparound and Day Treatment Program

Family Foster Care & Adoption
- Foster Care and Foster-Adopt
- Private Adoption Home Study Program
- Resource Parent Recruitment and Training
