- 5 children die every day from abuse and neglect.
- 33% of reported child abuse cases involve children under age 5.

How We Prevent Child Abuse

**Strengthen Families & Communities**

**Prevention**
- Family Resource Centers
- Family-friendly, community-based collaboratives with the capacity to provide on-site access to comprehensive prevention and treatment services.
- Focus on Families with children birth to five years
- Child development, parent education, home visitation, healthy eating, infant health, parents’ and children’s support groups.
- Family Support
- Address the specific needs of refugee children, immigrant families, fathers, relative caregivers, childcare, youth after school and linkage to local community resources.

**Mental Health Services**
- Targets young children, adolescents and their families with the goal of alleviating psychiatric conditions that impair the child’s functioning.
- Individual and Family Therapy, Parent Education via Outpatient Services, Wraparound and Day Treatment Program.

**Family Foster Care & Adoption**
- Foster Care and Foster-Adopt.
- Private Adoption Home Study Program.
