

ANTELOPE VALLEY

The Reality

A report of child abuse is made every **10** seconds

5 children die every day from abuse and neglect

33% of reported child abuse cases involve children under age 5

How We Prevent Child Abuse

Strengthen Families & Communities

Prevention

- **Focus on Families with children birth to five years and serving children up to 18 years of age**
Child development, parent education, home visitation, healthy eating, infant health, parents' and children's support groups
- **Family Support**
Address the specific needs of refugee children, immigrant families, fathers, relative caregivers, childcare, youth after school and linkage to local community resources

Behavioral Health Services

Targets young children, adolescents and their families with the goal of eliminating psychiatric conditions that impair the child's functioning

- **Individual and Family Therapy, Parent Education via Outpatient Services, Wraparound and Day Treatment Program**
- **FSP** (Full-Service Partnership)
- **IFCCS** (Intensive Field Capable Clinical Services)
- **MAT** (Multidisciplinary Assessment Team)
- **TBS** (Therapeutic Behavioral Services)

Family Foster Care & Adoption

- **Foster Care and Foster-Adopt**
- **Private Adoption Home Study Program**
- **Resource Parent Recruitment and Training**

Place-Based Strategies

Develop best practices to transform systems within and among organizations that improve community outcomes that are scalable and sustainable
