FESTIVAL DATE:

Saturday, September 9, 2023
11am to 3pm

LOCATION:

Children's Bureau HQ Grounds
1910 Magnolia Ave
Los Angeles, CA 90007

We invite you to become a supporter of the Festival of the Common Bowl benefiting Children's Bureau - a leader in child abuse prevention and treatment for over 100 years. The festival is run by a committee of volunteers and partners who are grateful for your generosity. You can visit our event page at <https://bit.ly/festival-of-the-common-bowl>.

Join us as a Supporter of the festival and help children thrive!

Taking place in the heart of Los Angeles, the celebration will feature food, attractions, games, entertainment, and opportunities for families to learn about the resources and services Children's Bureau provides. Many families in our community do not have the financial means to attend festivals, so we have decided to make it free for all families.

In addition to funding the festival, your gift will support our child maltreatment prevention programs. These programs include: Family Enrichment Programs, Parenting Classes, Supportive Counseling, Healthy Families America, Healthy Start, Magnolia Place Preschool, and Black Infant Health.

Donor names will appear on signs near your selected activity, on the festival web-page, as well as in our Annual Report unless you prefer to remain anonymous. Thank you for making it possible!
